

Submission Guidelines for Volume 3 Currere Exchange Journal

Call for Manuscripts, VOLUME 3

The Currere Exchange Journal is peer reviewed, and will be published once (typically) per academic year. Please submit your piece for consideration by following the submission guidelines below. The due date for manuscripts is January 15, 2019. We have received so many strong manuscripts for the first two volumes that we published two issues for each. We hope to receive a similar response for Volume 3.

Volume 3 submissions are due January 15, 2019.

Submission Guidelines

- We are looking for manuscripts that explore the Currere process through the use of autobiographical and narrative approaches. To learn more about the Currere process, visit our website and peruse the "resources" at:
